8. DRA holds itself out as “an industry leader in helping youth realize their potential.” It represents that its students “become their best selves in a structured elite private

school environment with a personalized therapeutic approach” and promises that “[t]he challenges you are facing with your child today do not need to limit the possibilities of tomorrow.”

10. DRA’s theme is “Healing Families One Youth at a Time.”

11. DRA invites parents, including Native American parents, to bring their children who are struggling with emotional and addiction issues, for treatment and care.

12. The DRA Parent Manual states in part: “Our program is proven effective – **and we guarantee it** – when the program is followed closely and when the parents support it completely.”

13. The DRA Parent Manual further states: “We recognize how difficult a decision it was to intervene on your child’s behalf. We also recognize how difficult it is to place the care of you child in the hands of another. *Please take comfort in knowing that we take our responsibility very seriously.*”

27. DRA called her father and told him that Taylor had suffered a heart attack and was taken to the hospital.
